APPENDIX A

Degree of Consanguinity or Affinity

For the purposes of the “POLICY OF FIRST UNITED METHODIST CHURCH, ARLINGTON, TEXAS, FOR THE PREVENTION OF ABUSE OF CHILDREN, YOUTH AND VULNERABLE ADULTS” a worker is considered “related” if related within the third (3rd) degree of consanguinity or within the second (2nd) degree of affinity.

Relationships of Consanguinity

Two people are related to each other by consanguinity if one is a descendant of the other or if they share a common ancestor. An adopted child is considered to be a child of the adoptive parent for this purpose.

Example: Person A is related by the third degree of consanguinity to person B if person B is person A's uncle (brother of person A's father) because they share a common ancestor. However, person A is not related by consanguinity to person C if person C is the uncle's spouse, because person A and person C share no common ancestor.

Relationships of Affinity

Two people are related by affinity if they are married to each other, or if one person is related by consanguinity to the other person's spouse.

Example: Person A is related within the second degree of affinity to the brother of person A's spouse because the brother and the spouse are related by consanguinity.

The ending of a marriage between two people by divorce or the death of a spouse ends relationships by affinity created by that marriage, unless a child of that marriage is living, in which case the marriage is considered to continue as long as a child of that marriage lives.

The chart below lists relationships within the fourth degree of consanguinity and within the second degree of affinity.

Relationship of Consanguinity				
Person	1st Degree	2nd Degree	3rd Degree*	4th Degree*
	child or parent	grandchild, sister, brother or grandparent	great-grandchild, niece, nephew, aunt,* uncle* or great-grandparent	great-great-grandchild, grandniece, grandnephew, first cousin, great aunt,* great uncle* or great-great-grandparent

Relationship of Affinity		
Person	1st Degree	2nd Degree
	spouse, mother-in-law, father-in-law, son-in-law, daughter-in-law, stepson, stepdaughter, stepmother or stepfather	brother-in-law, sister-in-law, spouse's grandparent, spouse's grandchild, grandchild's spouse or spouse of grandparent

* An aunt, uncle, great aunt or great uncle is related to a person by consanguinity only if he or she is the sibling of the person's parent or grandparent.

POLICY OF FIRST UNITED METHODIST CHURCH, ARLINGTON, TEXAS, FOR THE PREVENTION OF ABUSE OF CHILDREN, YOUTH AND VULNERABLE ADULTS

May 28, 2014

Page 2	Section 2. H	<i>Added "H" – Two Adult Worker Rule – We have always required 2 Workers; this makes them be “non-related”. This has been the preferred practice but this now becomes the standard. The CTC Annual Conference recommends this and is proposing it as a Conference wide rule this year. Appendix A is added to clarify what “non-related” means</i>
Page 2	Section 3.B.(5)	<i>Added “(5)” – Clarifies that not adhering to the Two Adult Worker Rule is prohibited.</i>
Page 3	Section 4.A.	<i>Added --“Duties and Responsibilities” in the title; Added for clarification “...and complete MinistrySafe training as required by FUMC.”</i>
Page 4/5	Sections M,N,O,P	<i>Added these 4 Sections to clarify the process if abuse or neglect is suspected.</i>
Page 5	Section 5.A.(1)	<i>Added “non-related” Workers – this was done throughout the document to conform to the Two Adult Worker Rule</i>
Page 6	Section 5.A.(12)	<i>Added the “Three Year Rule”. This has been the general practice but this clarifies and confirms the policy.</i>
Page 7	Section 5.E.(3)	<i>Added: <u>“as allowed by law.”</u> -- There are some situations that require staff, by law, to break “assumed confidentiality”, i.e., suspected abuse, neglect, etc. This helps to make it clear that staff must report these situations. Confidentiality shall not be a ‘license’ to hide abuse, neglect, etc. This makes it the same as Section 6.E.(3).</i>
Page 8/9	Section 5.F.(5)	<i>Added this whole section to be consistent with the Youth Section in regards to overnight events. The following updates were made: Added “Two Adult Worker Rule”. Deleted the phrase “unless exceptions to such rule are clearly stated on the consent form” – there are no exceptions to the safety rule of Two Adult Worker Rule. Added: “Overnight groups with male and female participants require male and female Workers” – It has been the practice but this makes it policy.</i>
Page 10	Section 6.A.(9)	<i>Added: Three Year Rule – this clarifies the age difference required between Workers and youth. Added: It does not apply to Vulnerable Adults—Example: someone who is age 40 can work with a Vulnerable Adult who is age 41, etc.</i>
Page 12	Section 6.E.(3)	<i>Added: <u>“as allowed by law.”</u> -- There are some situations that require staff, by law, to break “assumed confidentiality”, i.e., suspected abuse, neglect, etc. This helps to make it clear that staff must report these situations. Confidentiality shall not be a ‘license’ to hide abuse, neglect, etc. This makes it the same as Section 5.E.(3).</i>
Page 13	Section 6.F.(4)	<i>Added “Two Adult Worker Rule”. Deleted the phrase “unless exceptions to such rule are clearly stated on the consent form” – there are no exceptions to the safety rule of Two Adult Worker Rule. Added: “Overnight groups with male and female participants require male and</i>

		female Workers” – It has been the practice but this makes it policy.(Ref: Section 5.F.(5))
Page 15-16	Appendix A	<i>Added Appendix A</i> to clarify what is considered “non-related”. The rules for the “Degree of Consanguinity or Affinity” are clarified here for use in our policy. Thus, if there are questions, the staff has a clear document to refer to.

Some updates of capitalization and other grammatical editing are highlighted in “red” in the main document.
